

May 9, 2025

Good Afternoon Members,

The OCF is proud to celebrate their Gold Medal at the 2024 Pan Am Games and their Silver Medal at the 2025 ICU Junior Championships in the Junior Coed Advanced Division in our inaugural year!

For our 2nd year of Team Ontario we are looking to run two successful teams - one at the Youth age and one at the Junior age in hopes of again representing Canada.

Training for these teams will occur across Ontario beginning with tryouts in June 2025 and *concluding* potentially in June 2026. The competition schedule will include OCF events in addition to the potential 2026 World Junior Championships and Pan Am Games.

Application for Coaches is available now with a deadline of May 23, 2025. Final Coach selection to be completed by the end of May 2025. The process will include a completed application form and an interview for qualified applicants. Coach responsibilities will begin immediately following selection in order to create athlete requirements for tryouts.

Athlete requirements will be determined and posted to our website by June 1, 2025. There will not be any video submissions. Instead athlete groups will be evaluated over a 2 day training period and chosen immediately following training completion.

We would appreciate Gym Owners/Administrators completing our Facility Rental Form by May 23, 2025. We will be in contact with you by July 1, 2025 to confirm rental dates.

Additional information will be posted on our website by the end of week. Any questions can be sent to: teamontario@ontariocheer.ca
